get on the bus
ride in your metalic grave
you're here
get the key
sit in your little box
look out your window
see the raped skyline
see people in their little boxes
looking at you
waiting waiting for their bus

Well maybe it's your heaven but it's really
an asylum with carpeting
rot in your little box

See the reflection in the mirror
is it really you
or is it your prison
you can hear the traffic
you can hear people upstairs
they're all very happy
they're in their mutual graves
the reflection breaks
and suddenly the answer comes
it arrived too late

and suddenly the solution comes to the answer
so clear
so easy
and you pick up the razor
a crimson ribbon traces its path
and the blood floods the shower curtain
and you hit the floor
and your open eyes are open but you sleep
your home

A pure simple blade of grass; its slender straight body rises upward for the light. A thick vein pumps juice throughout the plant; juices which contains everything needed for life. A mass of thin spidery material supports the blade. These are the roots, stretching, struggling, searching for water. A blade of grass, one of nature's wonders, one of which all mankind can share.

Am I, Are You, And Is He?

Or How Not To Conjugate To Be

I am, you are, and he is; so howcome she is too?
At times we are, they are, and all of you are – but I still am, however he and she are now too!
But what if you was and I were, would he and she have been, and was we and they? – or were they as I were?
And if I wasn't, and he wasn't howcome she {the opposite of he} is the same as him, and wasn't too?
Since he and she both wasn't and I'm the same as them when in the past {but not anymore, since I am now and will be in the future}, then I wasn't as well.
And because you weren't, we followed and did the same as did they, but she {being typical} decided she was, therefore he had to be too.
In conclusion – even though I am and you are, in the long run – – everyone is!

mr. j. d. lorimer, principal

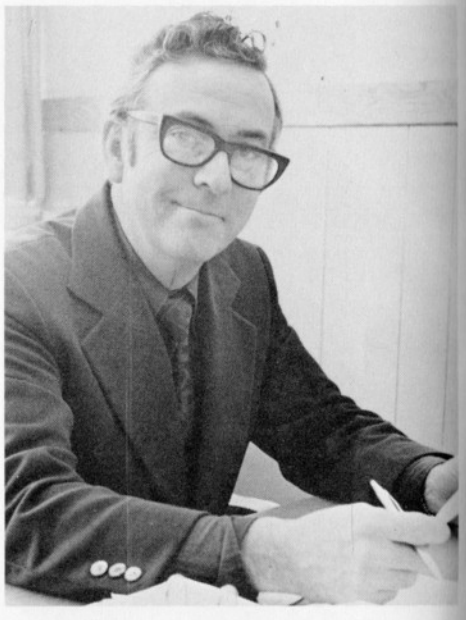
The year 1974 is an important one in the history of Victoria High School — the 60th anniversary of the opening of this building. Although the official opening was held on May 1, 1914, classes had begun on April 20, and the Gymnasium was first used on Friday evening, February 20. The Camosun of March, 1914 records the events of the evening: "As was fit and proper Victoria High School started with a win. The Victoria girls won a hard-fought basketball game from their old-time rivals, the girls of Vancouver High, by a score of seven to four."

In an editorial in the Victoria Times of May 2, 1914, we read that "Victoria has done its part in providing the younger generation with the preliminary facilities of what is known as higher education and there rests upon the youthful beneficiaries of this generous solicitude the obligation to do their part by making the most of them." That challenge is as valid today as it was sixty years ago.

To the editors of this 1974 Camosun, our grateful thanks.

To our Grads of 1974, our good wishes.

mr. r. h. reid, vice principal



In an age when many are questioning fundamental values, it was a profound experience to be part of the audience which responded so eloquently to the excellence of the programme presented by the Victoria Symphony, here in our gymnasium, in January. To those critics who say our youth are "tuned out" and "turned off", let the sincere praise of the director, Mr. Laszlo Gati, for you as an audience, counter such criticism.

Congratulations to the Camosun staff for another excellent yearbook, and to you all my best wishes for a happy and successful future.

As Alice Cooper once said, "School's out forever!" No truer words were ever spoken.

But as we ready ourselves for that wild plunge into that ambivalent and complex maze called society, we cannot help but have mixed feelings about our graduation. It is the culmination of countless ages of hard work and imprisonment yet it also means the termination of many friendships and happy times.

Society may be a chaotic mess yet it can also be a wonderful thing, if we want it to be. It is up to us, and us alone, to rise to the occasion and to overcome whatever might stand in our way.

To the undergrads, I hope your enthusiasm will carry on through your last year or two of school.

And within these halls of tradition there's no better way to say good-bye than with a traditional "Good Luck" to everyone.

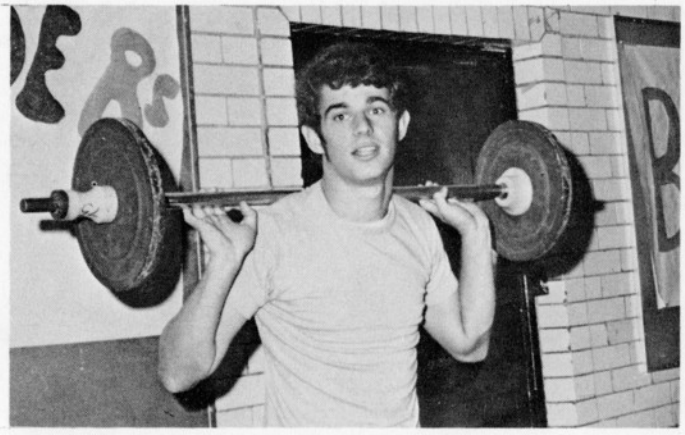
Who says Politics is confusing?



"Who's the dumbell?"

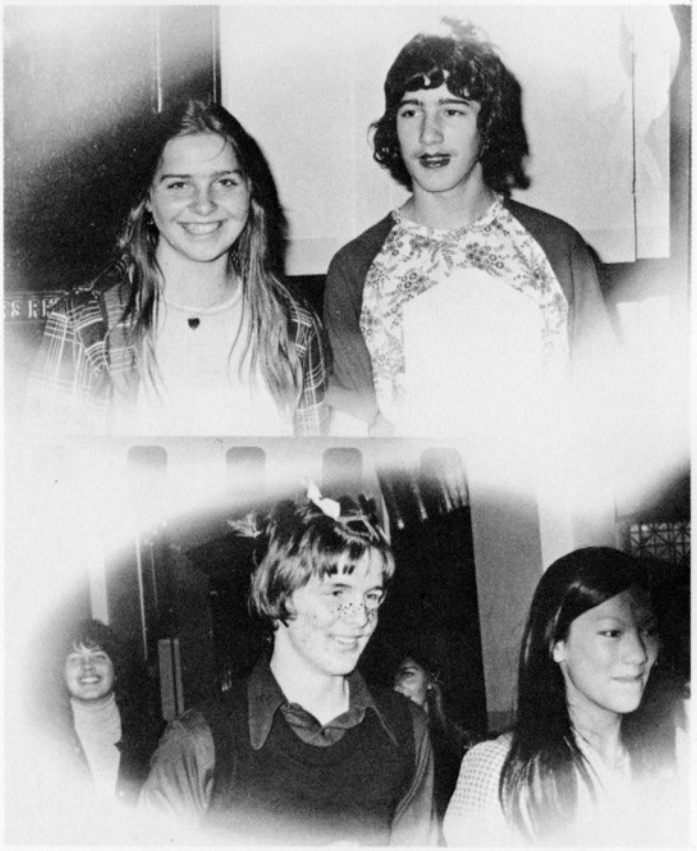
Activity-wise, the year '73-'74 began with a flurry of politicking, resulting in the election of our exhalted "fearless leader" . . . what was his name again???

Soon after followed Clubs Day. Many may remember this as the day they got writers' cramp from signing so many club lists . . .

Checking out the clubs.

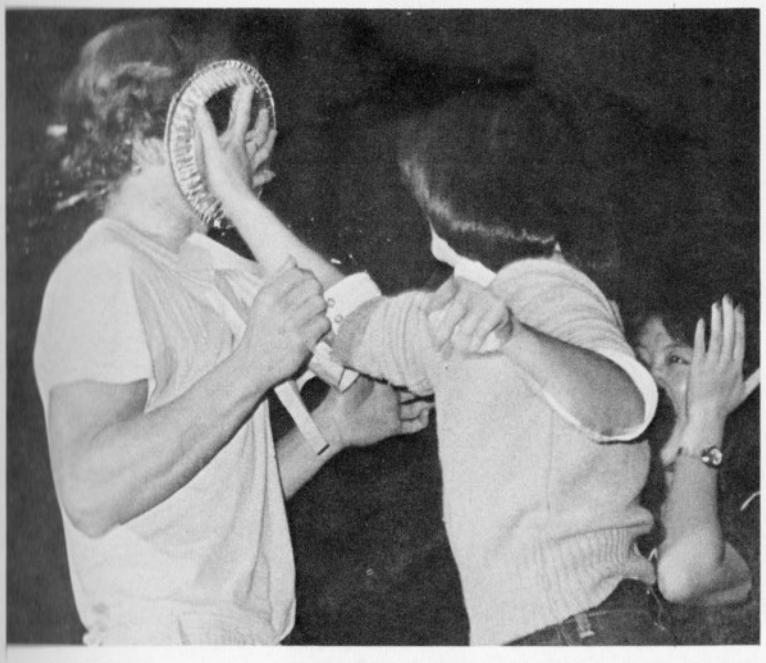
the joy of unity in all we do . . .

"Hiyo silver!"



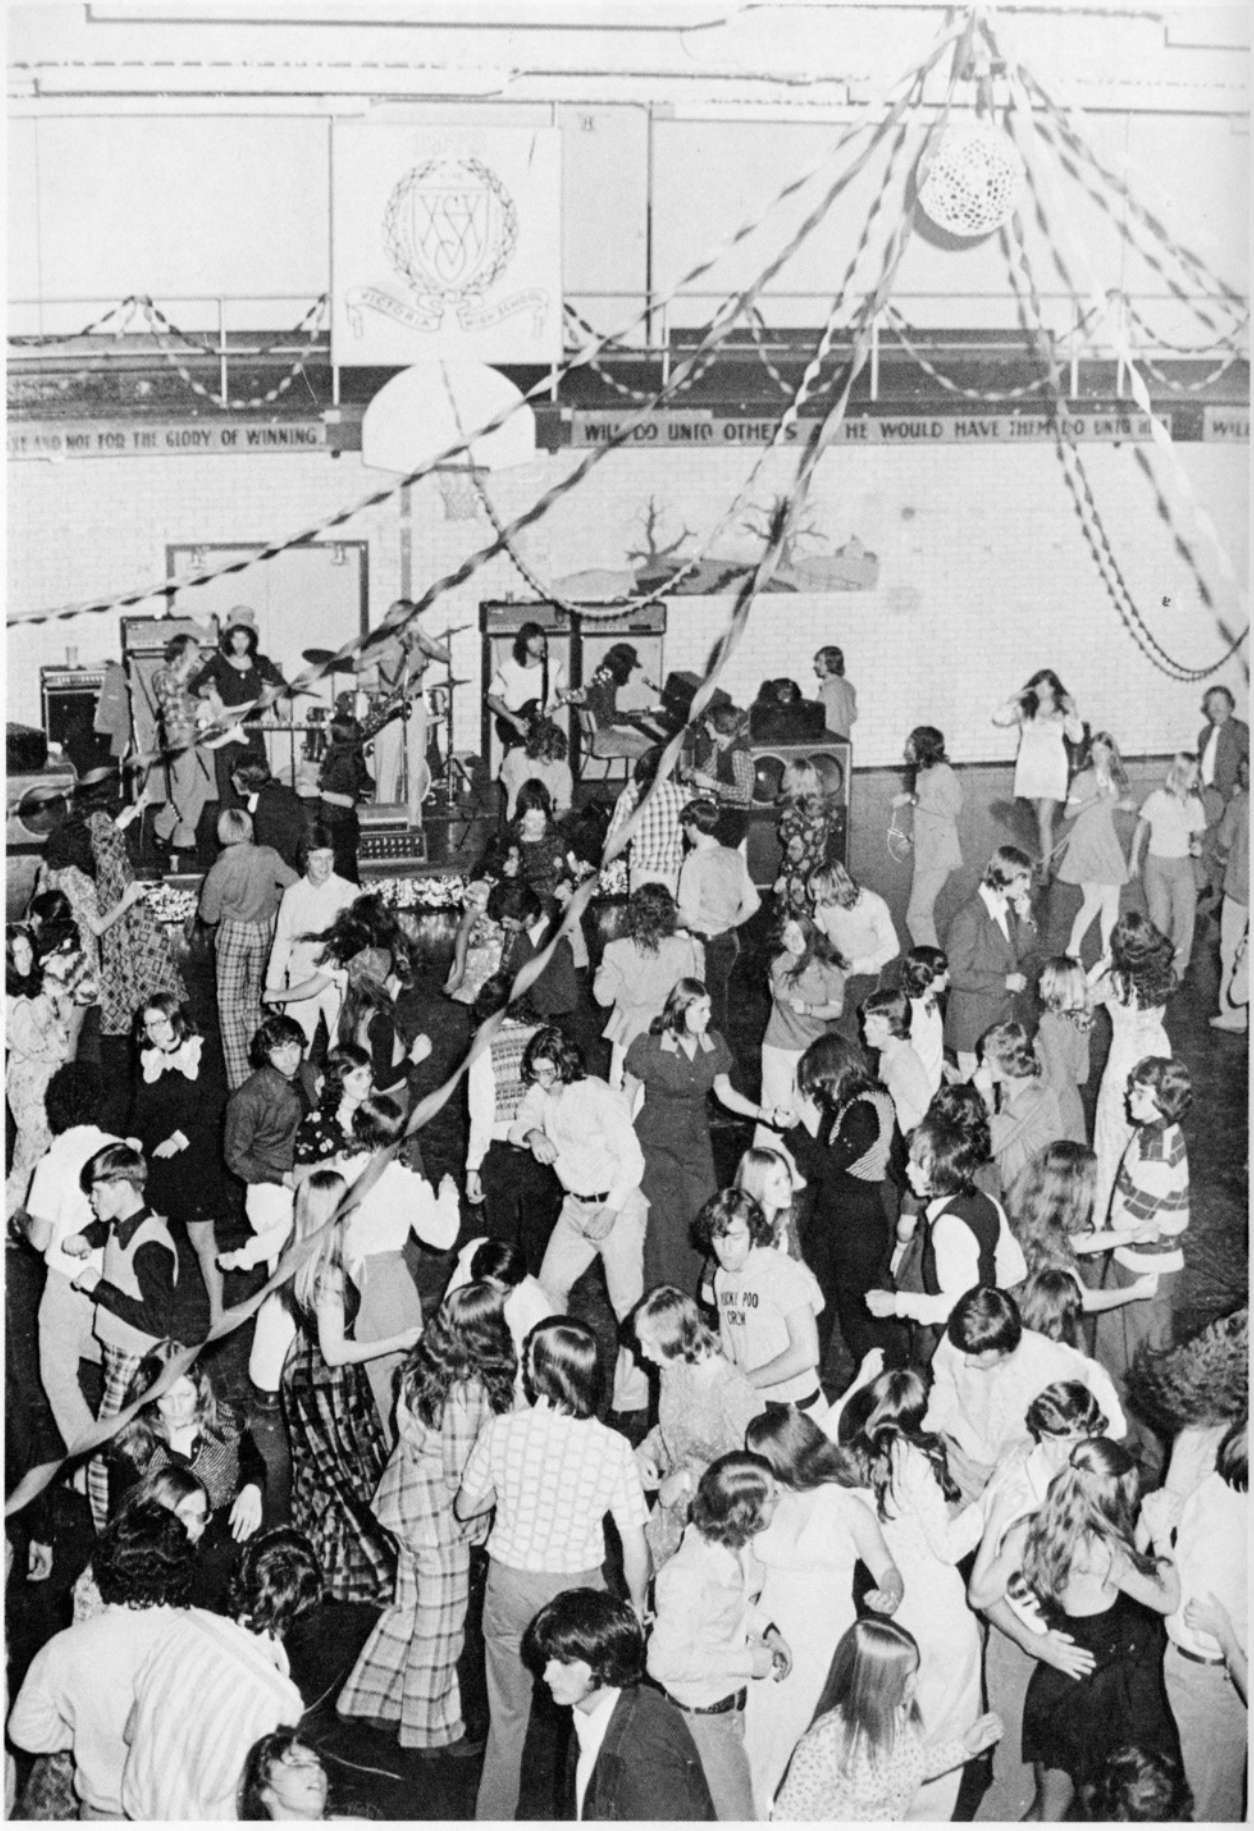
"Which one's the girl?"

Pumpkin Face.

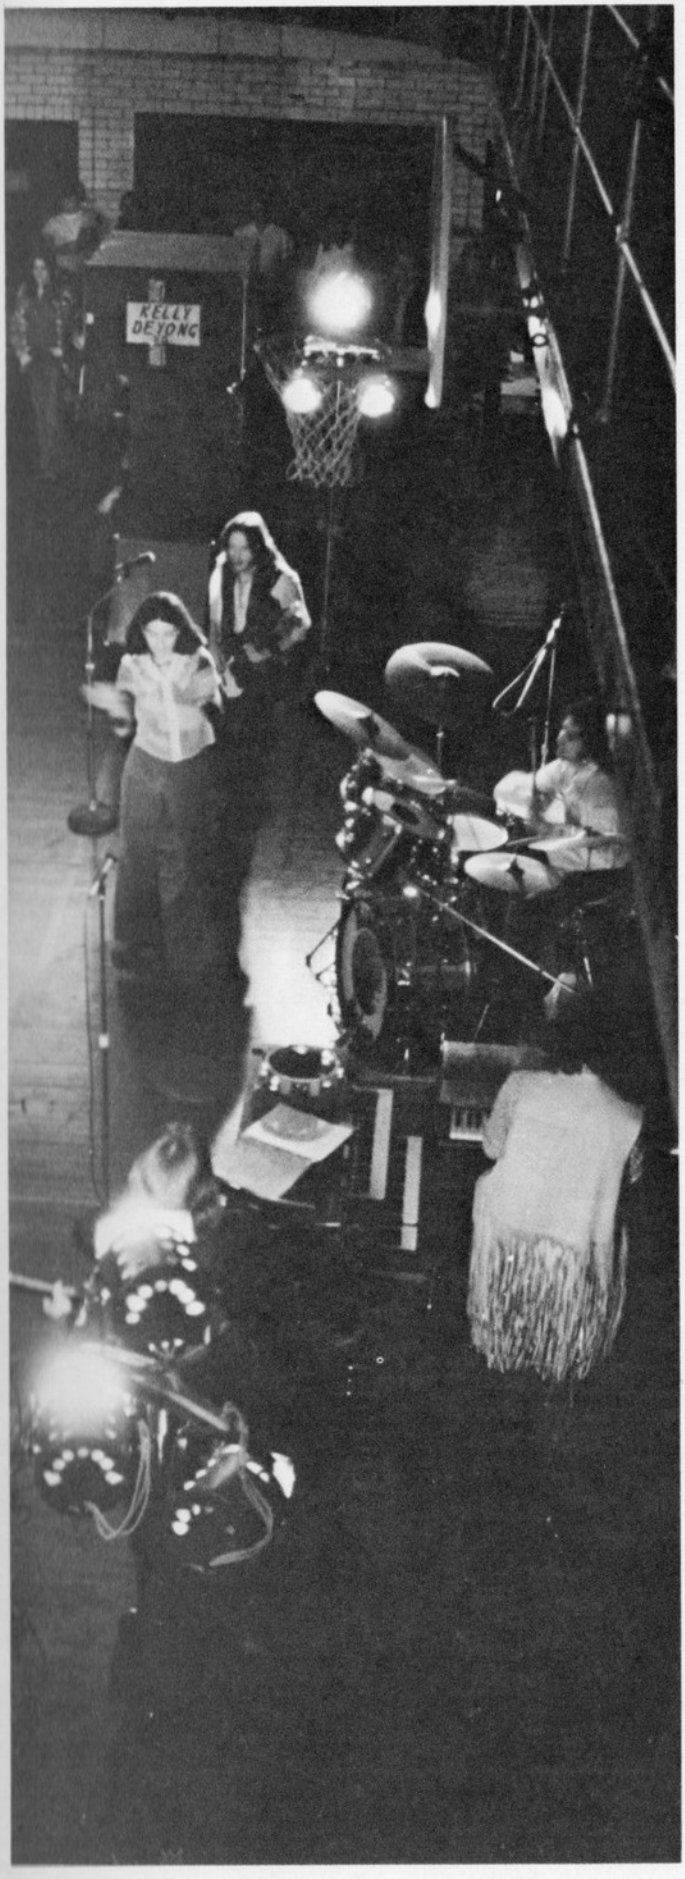


"Banana Cream — my favorite!"

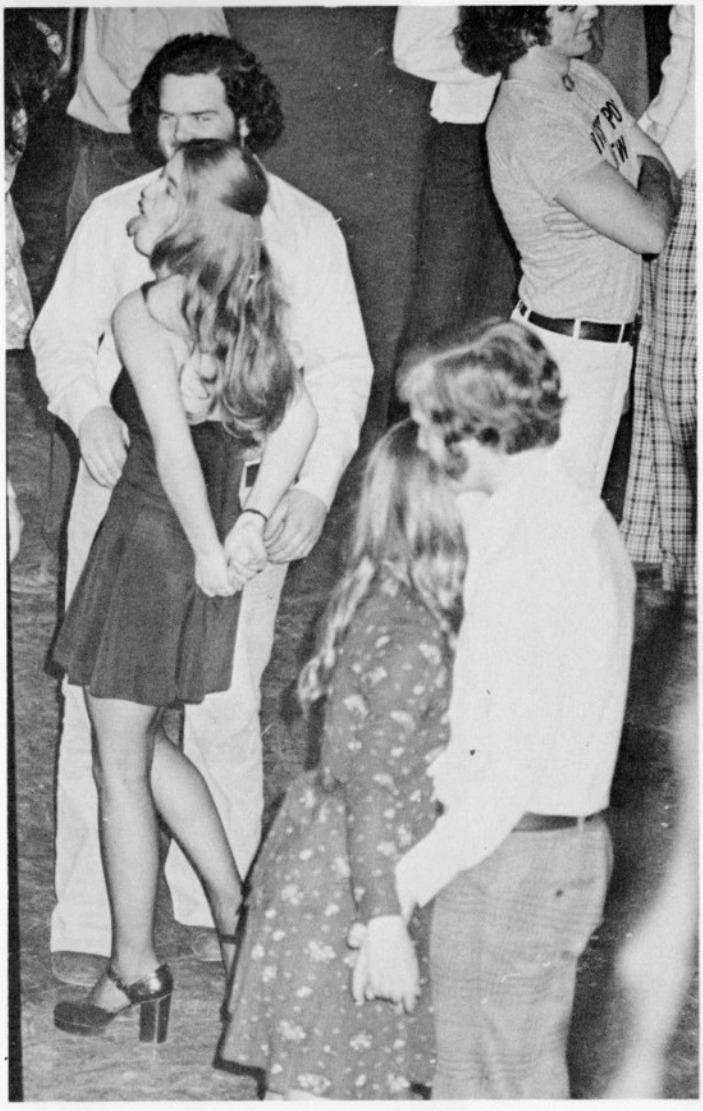
Sometime in October the students of Vic High became part of a good Ol' fashioned Penny Drive, after which followed Slave Day and the infamous Kangaroo Court . . .



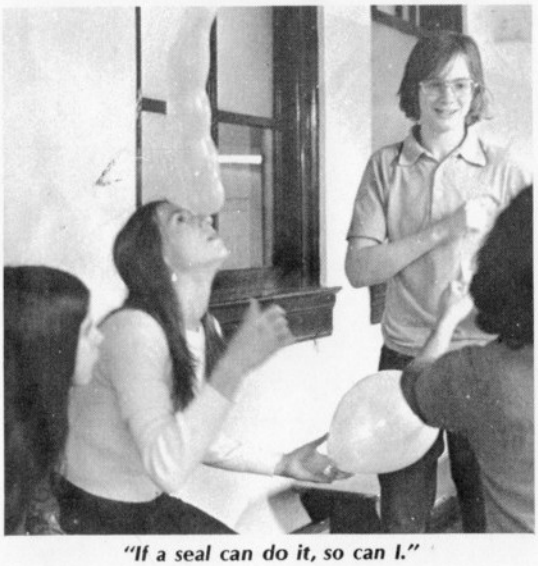
Homecoming . . . that annual attraction when last year's "Graduates" come back for a visit.



Mission Ridge . . . Grease Day



On the dance floor, anything goes!



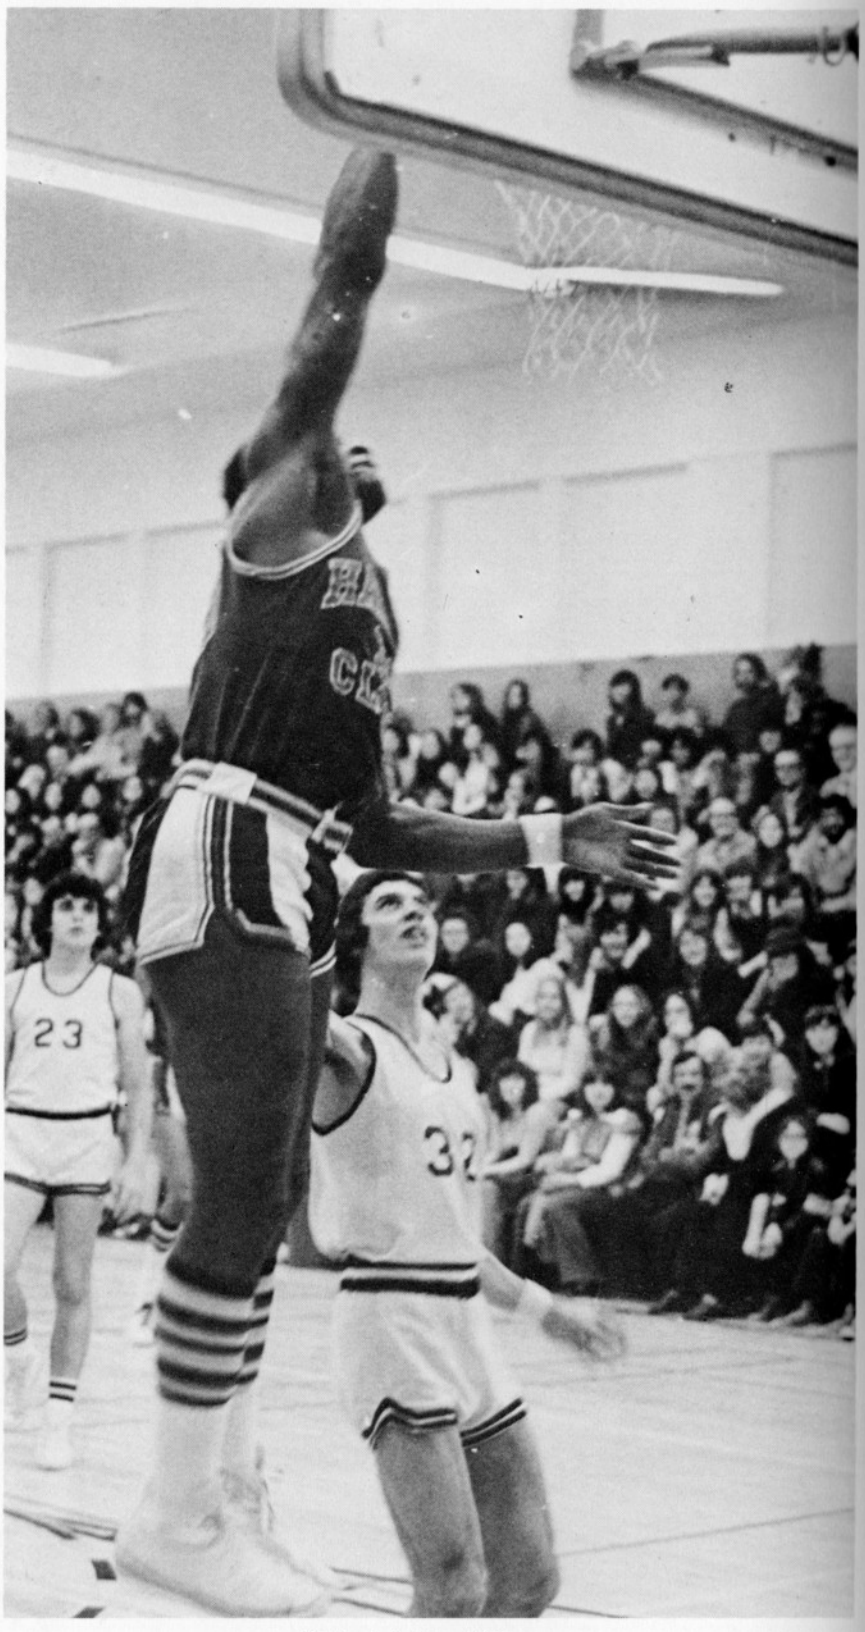
"If a seal can do it, so can I."

The most successful dance held, as usual, was the "Homecoming Dance." We all knew a good dance wouldn't be complete without a good band, and Bowser Moon Circus was our answer at Homecoming. A series of other well performed groups trailed one by one thru the rest of the year, such as New Day, Mission Ridge, Slam, etc.

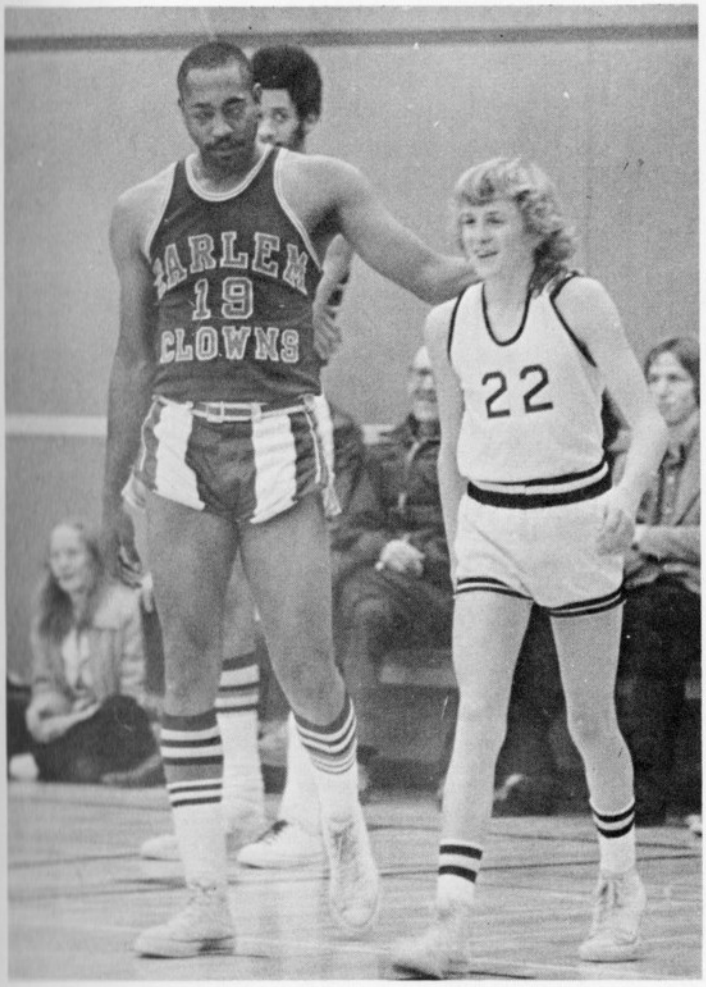
Decorations this year were put around the Old Gym at the last possible moments as usual, but they were well worth the efforts.

Soon after Homecoming the Totems got a chance to display their talents at "clownball" when the Harlem Clowns came for a visit. The New Gym was filled to capacity, and even the Vic High Pep Band honoured the audience with a rare appearance.

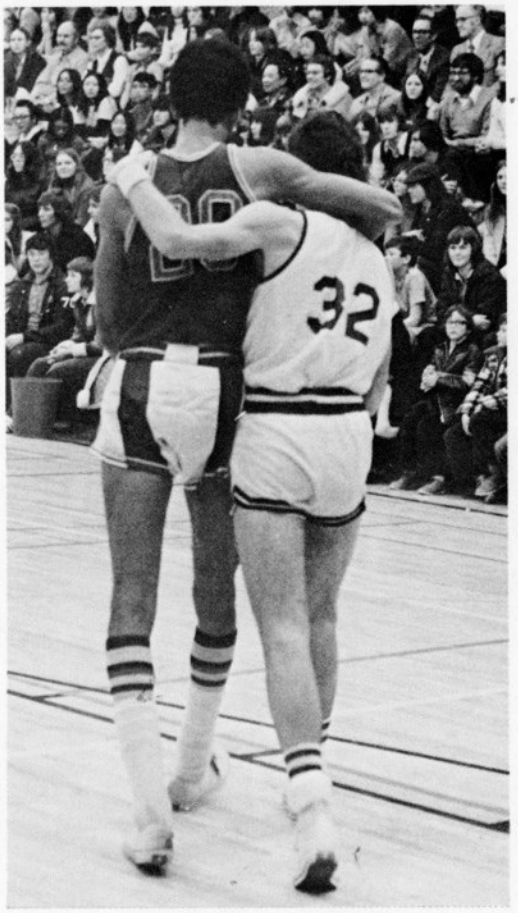
Who won? Let's just say that the Totems were a bit on the short side . . .



"I don't believe it!"



"Grow up Pete."

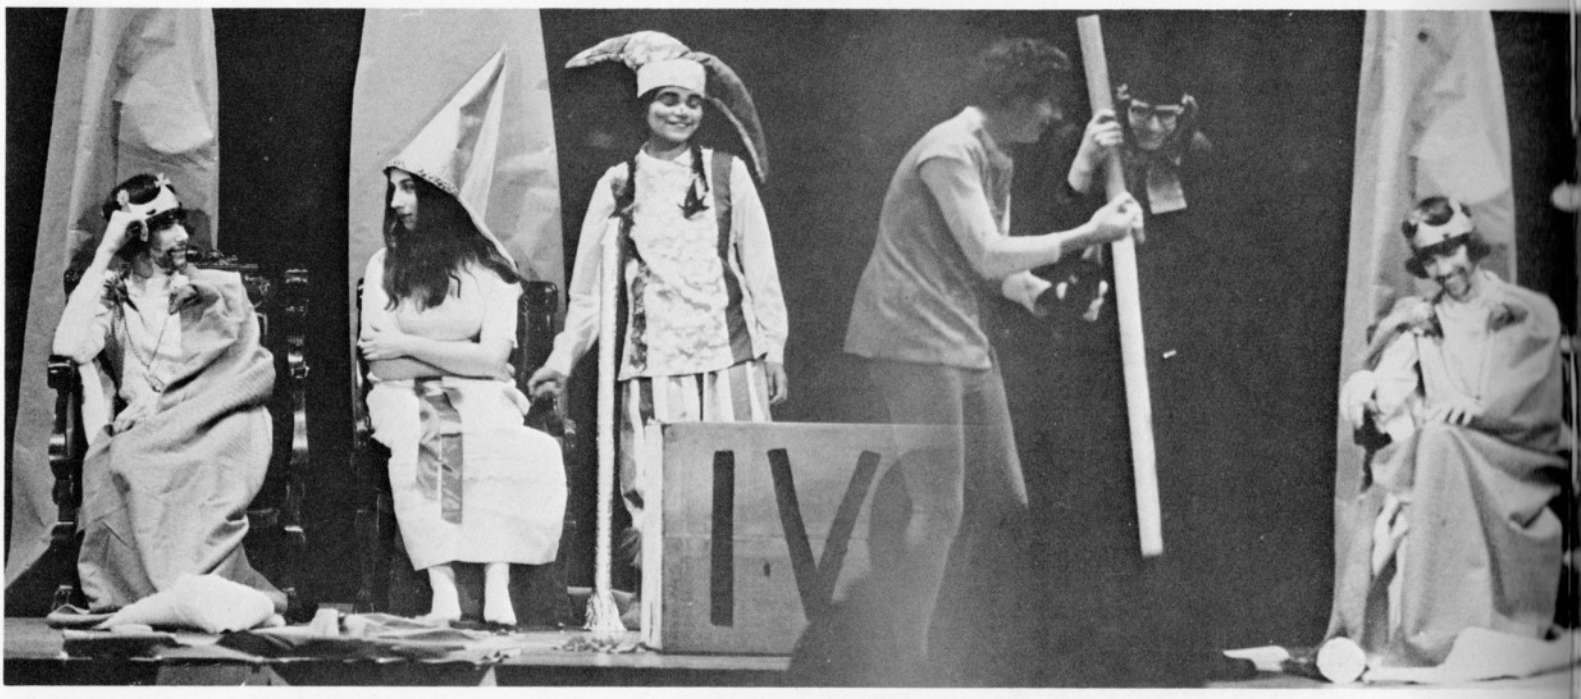


"It's like this, when I was . . ."

"Right on Brudder."

The morning entertainment that was provided by some of our fellow students gave us a few laughs before our first period classes. The skits put on by this acting group were often written by themselves — from Santa Claus with Star Trek to King Arthur and ivory soap???

Mr. Spock lands at the North Pole.



King Arthur, King Arthur and his clan.

titans

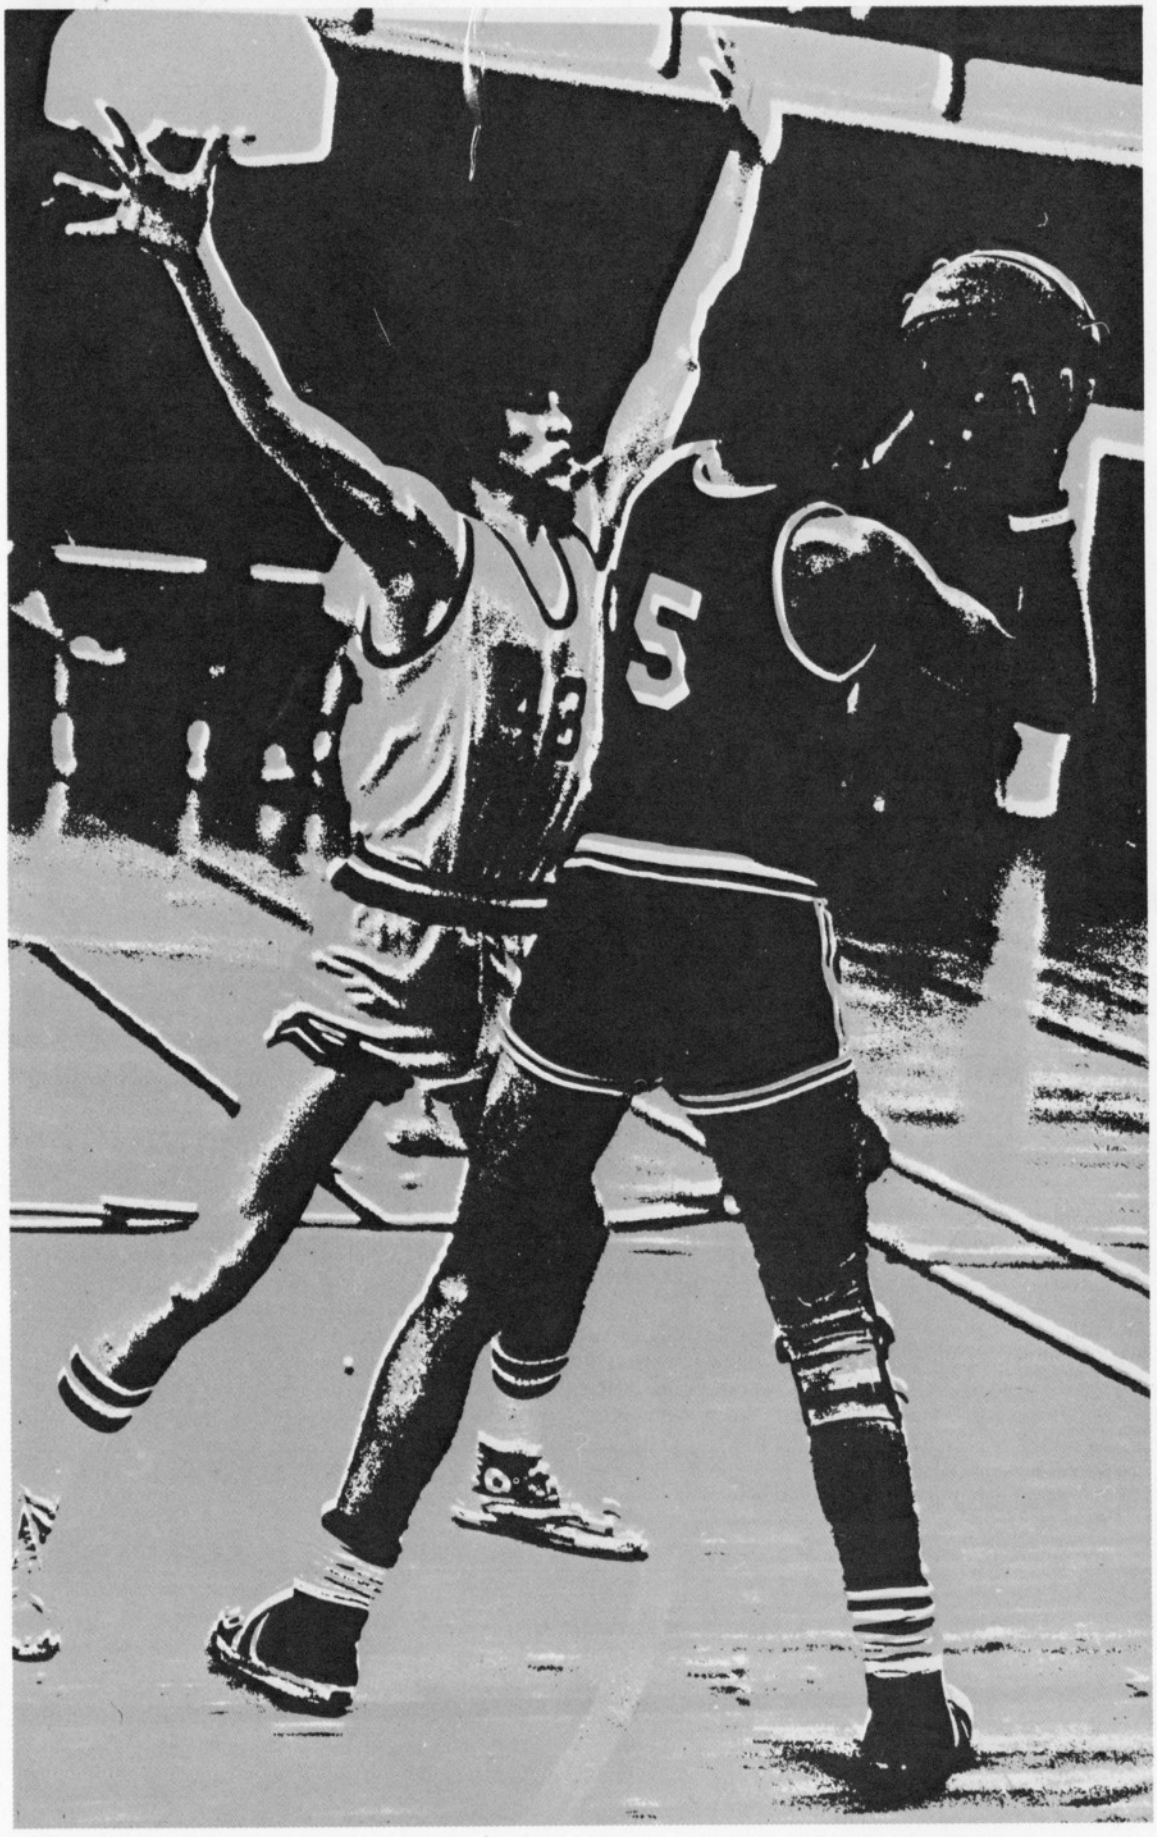
The year of the tour! After planning and working the Titans tour of Britain became a reality. The team left March 26 and returned on April 18 after visits and games in England, Wales and Scotland.

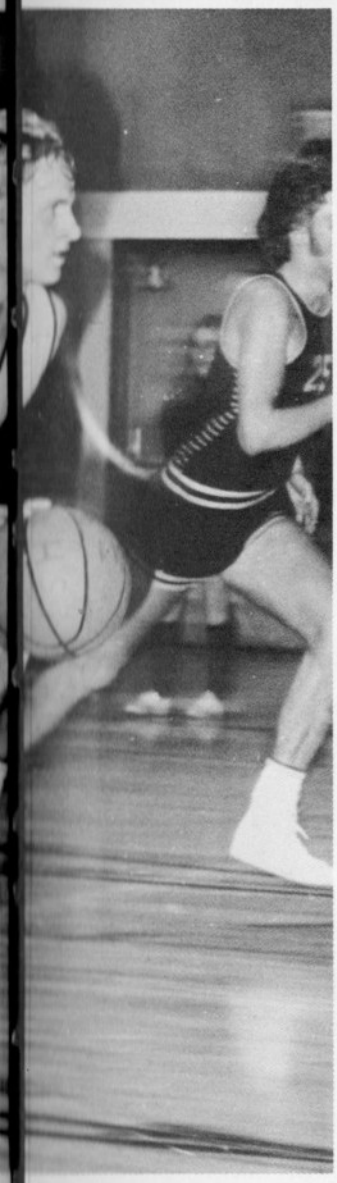
The 1974 season was not chosen as a tour year because a strong team was forecast; however the Titans did do surprisingly well in league play by the upsetting both Oak Bay and the perennial Claremont powerhouse. It was a shame the Titans had to miss the play-offs because they demonstrated a wonderful ability to rise to the challenge.

This year's team is characterized by its balance. Both the forwards and the backs carried out their assignments, defended well and scored. Bernie Crump runs the ball better than anyone in the league, his tackling is accurate and fierce, if there was an award for the outstanding player in the league Bernie would be a 'shoe-in'. Rick Lamirande, although he is in grade 11, is an excellent rugby player and should have a fulfilling career in the game in the years to come. I would like to elaborate on the abilities of other outstanding Titans such as Dave Burck, Jim de Goede, Ron Songhurst, Billy Galego, etc. but space doesn't permit. However Craig Norris-Jones, our Captain, deserves special mention for his dedication to the team and for his sterling play. Craig is all over the field, diving on loose balls and feeding it to our backfield.

Whether or not we had a successful tour in terms of games won I wish to take this opportunity to compliment every member of our twenty-two man squad for their dedication and their tremendous efforts on and off the field. As a team you reached your potential and to many this is the real measure of success.

Coach Briggs



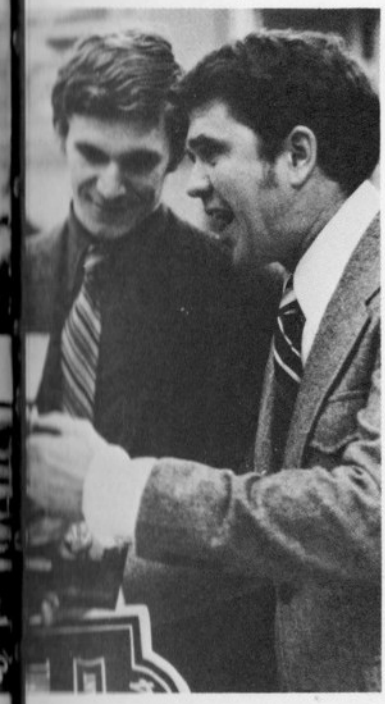


totems

After a disappointing season, athletic teams are heard to echo two familiar phrases: "what if . . ." and "wait until next year." The '73-74 Totems fulfill this. Still there were many highlights which filled the season — in pre-season tournament play, they placed second in the Bob Whyte, matched that performance in the Calgary International (along with Most-Sportsmanlike Team), and came third in the Totem Tournament in Port Alberni.

An 8-6 season placed the Totems fourth in league play, to their potential — they were knocked out in their third game in as many days — thus ending their season as it started — disappointed. But with nine players returning, "wait until next year!"

The team would like to thank Mr. Valdal for the time and effort he put in for them. Best of luck to next year's team!



Back Row: Dave Underwood (Manager), Tim Lampard, Fred Carlson, Pete Morton, George Lomas (Capt.), Pete Cavin, Bob McKeachie (Manager), Mr. Valdal (Coach). Front Row: Kerry Short, Rod McKinnon, Richard Pyatt, Rick Griffin, Tony Carlson, Doug Callbeck, Charlie Davis.

Back Row: Wanda Lee (Manager), Miss Hanslip (Coach), Vicki Boyd, Margaret Barber. Middle Row: Pattie Peslevits, Shelley Thompson, Jane Makereth, Lois Hennekes, Lori Skinner, Cathy McKeachie, Leslie Godfrey. Front Row: Fran Tuthill, Vera Chiu, Cathy Flynn (Capt.), Doreen Fitzpatrick.

tigers

The girls coached by Miss Hanslip, had a very successful season. The Tigers brought home 3 first-place trophies from exhibition tournaments. The overall record of exhibition games was 10 wins and 1 loss. In league play, the Tigers placed first with a record of 11 wins and 3 losses. In the Island Tournament, they ended in third place. Congratulations goes to Leslie Godfrey who was awarded the Most Valuable Player honour at the tournament.

This year, the team consisted of players who came from different junior high schools, namely Central, Lansdowne and S. J. Willis. They worked very hard together under the leadership of their captain, Cathy Flynn, who provided the team with a steady effort all season. Most of the girls are looking forward to the next season as eight members of the '74 Tigers will be returning.

The Tigers would like to thank Mr. Andrews for his assistance during the long hours of practice throughout the season.

Back Row: Gladwynne Jones (Manager), Mary Quan, Darlene Long, Tammy Slater, Mary Burck, Judy Schlutter. Front Row: Dave Underwood (Manager), Shannon Lezetc, Brigitte Hoheifel, Moe McAllister, Lynn Rough, Annie Krancevic, Mr. Gillis (Coach). Missing: Mr. Lansdale (Coach).

"B" team

The girls established a very respectable record during their first season in the basketball "B" league. They fought hard all season and played many exciting games.

tyees

The Tyees fought hard all season and played some exciting games. The highlights were beating Mt. Doug, Mt. View, and Oak Bay. However, the team was not consistant and came out short in some games.

The Tyees were young, consisting of mostly grade 11 players which shows much promise for next year. The team was well-supported and provided the spectators with many breath-taking moments. Best of luck to next year's Tyees!

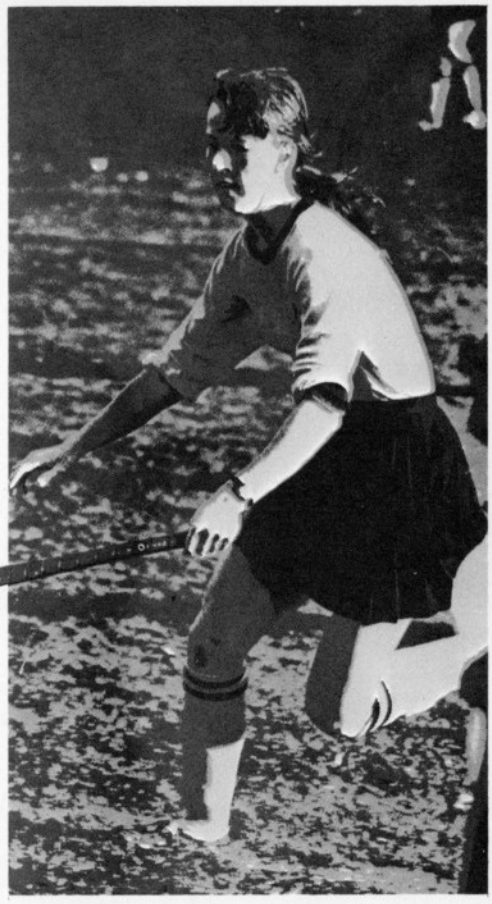
Back Row: Robin Ross, Bruce Bjarnason, Ron Quilter, Mike Mulholland, Brian Ayers, Jim de Goede (Capt.), Ron McGovern, Charlie Davis, John Iverson, Brian Turner, Ken Stokes. Front Row: Jim Bergin, Tony Lee, Jim Young, Marc Bolli, Dwain Pack, Gord Crawford.

tomahawks

Field hockey strength has been building at Vic High over the past few years, and this year's team has built a good foundation on which to develop. With only four players graduating, we start next season with almost a full team.

Along with a nine-team league, our season included the Bridgeman Cup Tournament, the Island Tournament and a tour to the Okanagan which took us to Kelowna, Salmon Arm and Kamloops.

Miss Hanslip (Coach), Gladwynne Jones (Manager), Jane Mackereth, Celia Schroeder, Wanda Lee, Doreen Fitzpatrick, Moe McAllister, Lois Hennekes, Leslie Godfrey, Shelley Thompson, Cathy Crothall, Kathy Weich. Missing: Deanna Lee.



boy's field hockey

Back Row: Frank Krap, Tony Carlson, Michael Pierard. Middle Row: Bruce Bjarnason, Tej Labh, Miss Hanslip (Coach), Greg Hope. Front Row: Ken Stokes, Walter Gschiel. Missing: Bernie Crump, Rod Edwards, Ken Eng.

tyettes

Back Row: Tammy Slater, Linda Schrader, Gail O'Donnell, Cathy Mollard, Cathy Crothall, Jackie Kyte, Judy Schlutter, Tracy Roberts, Nada Grbavec, Debbie Whyte. Front Row: Moe McAllister (Capt.). Missing: Vera Chiu, Karen Colfield, Lucy Janeda, Linda Love, Margaret Sharrocks, Lori Skinner, Ray Windecker (Coach), Rod Millar (Coach).

This year, the girls' soccer team started off with a group of enthusiastic girls anxious to learn and play. The season started dismally, but gradually improved. The girls worked well together and produced many goals. They placed fourth in the final league standings with a record of 5 wins, 5 ties, and 4 losses.

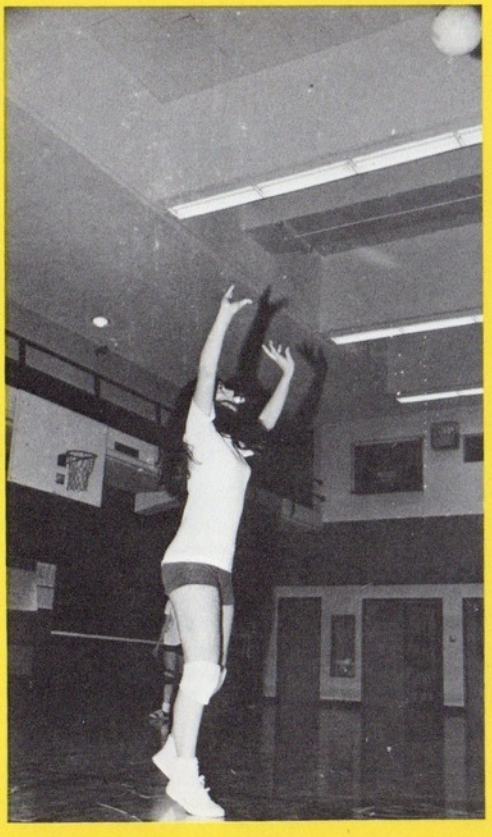
The girls would again like to thank Ray Windecker and Rod Millar for coaching the team.

tikis

The Tikis under the coaching of Donna Blackstock had a terrific season which included three invitational tournaments. In league play, the team placed fourth. However, the girls surprised everyone by capturing first place in the Lower Island and Island Tournaments. They earned the right to participate in the B.C.'s.

The team would like to thank Donna and Mrs. Thompson for their help throughout the season. Also, congratulations are in order for Diana Balfour and Vera Chiu who have been chosen to tour Europe this summer, with the Victoria under-18 team.

Back Row: Mrs. Thompson (Coach), Debbie Ferguson, Patti Pesklevits, Louise Langlais, Diana Balfour (Capt.), Lori Skinner, Donna Blackstock (Coach). Front Row: Fran Tuthill, Vera Chiu, Lori Dickson, Cathy Flynn.



"B" team

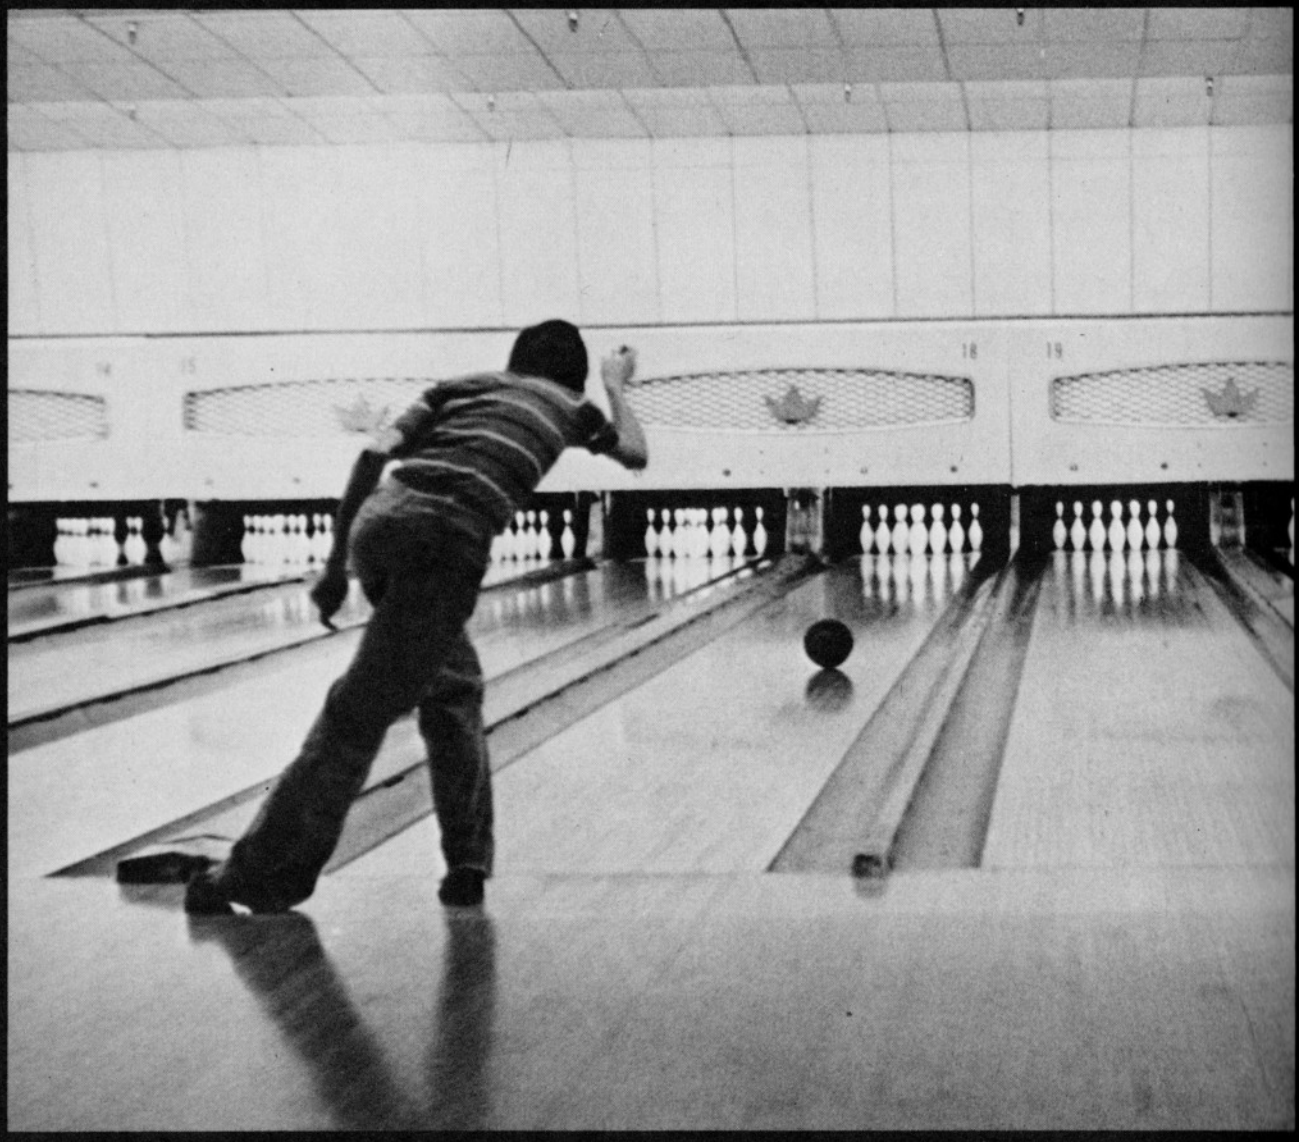
Back Row: Mrs. Thompson (Coach), Vicki Raptis, Marlene Czotter, Dilys McGibbon, Debbie Ferguson, Annie Krancevic. Front Row: Elly Vanderjagt, Cathy Ross, Anne Underwood, Dawn Oulton. Missing: Cathy McKeachie.

The team had a great season with a record of 18 wins and only 2 losses. They won the Lower Island Championship. Looking towards the future, most of these girls will probably be on the "A" team next year and produce another winning team for Vic High.

tsasquatches

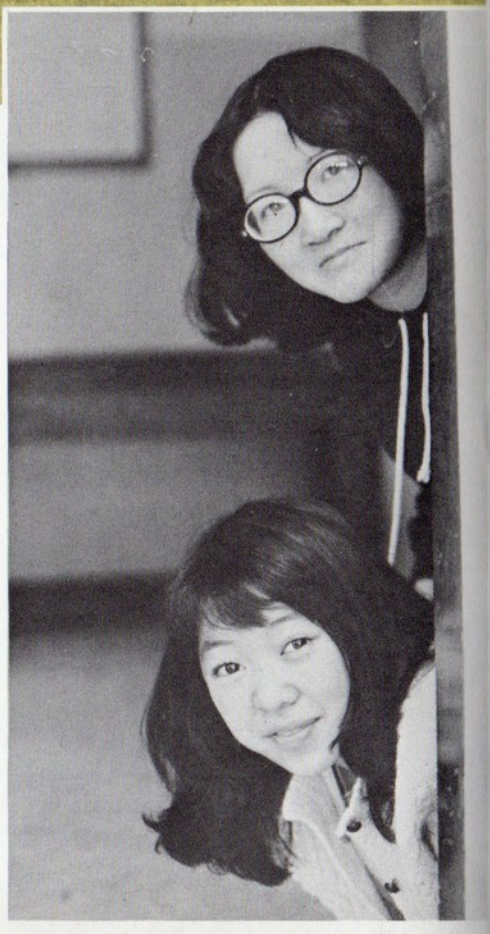
This year, the Tsasquatches placed third in league play and qualified for the Island Tournament. They earned a berth to play in the B.C. Championship Tournament. Next year, the team promises to be another contender despite the loss of a number of players. Honourable mention goes to Tej Labh who narrowly missed a position to participate in the B.C. Festival of Sports.

Back Row: Mr. Gammon (Coach), Rod Edwards, Gary Prior, Dave Underwood, Bill Randall, Ken Weins, Lloyd Dye, Gurdave Sundher. Front Row: Bernie Crump, Don Weins (Capt.), Tej Labh, Bob McKeachie, Keith Shields.



. . . for we must join and expand

special interests . . .



camosun

After many long hours of effort put in by our staff, we finally succeeded in completing this book. We sacrificed our time by giving up lunch hours, afterschools and also some weekends, but all in all, it was worthwhile.

We would like to take this opportunity to thank Mr. Chan (and Photographer Inc.), Mr. McCarron and Mr. Baur, who all generously gave up their time to assist in assembling this book.

The two of us, would like to thank the individual editors of each section, and the rest of the staff, and to those who helped with Camosun sales in their respective constituencies.

We all hope you will enjoy our Camosun '74, as much as we do.

Best wishes and signing off,
Camosun Staff,

Sharon & Karen

Co-Editors in Chief
Camosun '74

calamity

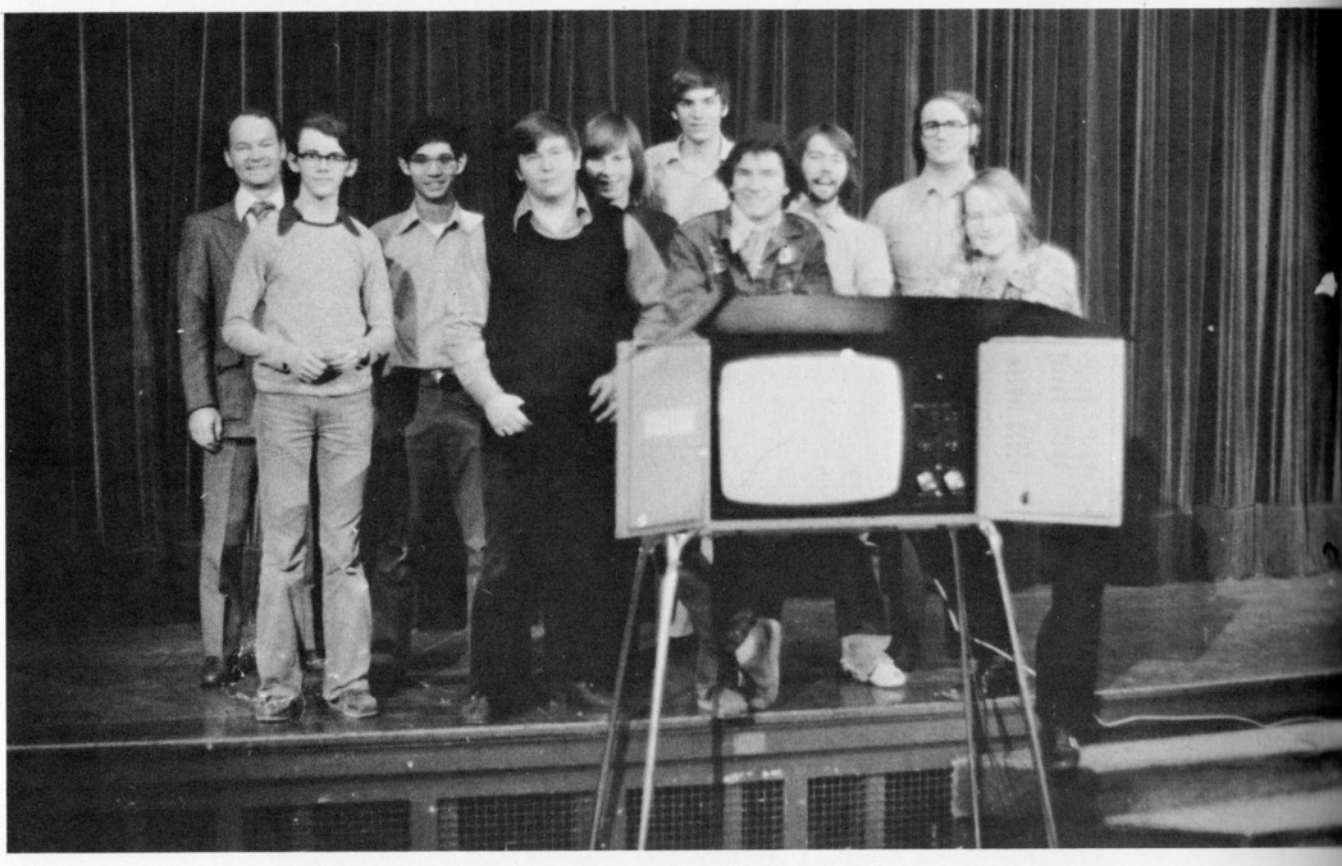
The crew of players were very unique this year, presenting a series of "original" plays to the school which were written by the players themselves. They were a great group of kids this year with their "hearts and mouths" in the right place. Lord knows they tried!

prefects

Vic High dances, concerts, and activities were serviced by a small group of volunteers who supervised the student turn-outs at these functions.

outdoors

This active group, along with attending various lectures, went on many hikes and off-island trips, breathing some good fresh air. Congratulations Mr. Camp, for a very successful year.



audio-visual and stage crew

Along with new club members, a new video-tape recorder joined these two groups this year. They helped the school by setting up and operating such things as lighting and score keeping equipment. The Audio-visual club has also enlightened many students on the use of the equipment.

photography

Throughout this book, the efforts of this small but well equipped photography club can be seen. Their cameras were always clicking during special activities that took place, and in and around the halls and classrooms. Again we thank Mr. Chan for leading this great troop of photographers into another successful year, and without them this book just wouldn't be.

film

The film club was successful again this year thanks to Mr. Owen. The club got the unique opportunity to see films twice for the price of seeing it once. They saw quite a few films this year during their own time of course.

library

This club is a necessary and helpful unit of our library. They helped to keep the library in good running order and were of great assistance to our librarians Mr. Hopper and Mrs. Pearce.

reading centre assistants

Thanks goes to this bunch of kids who helped students just arriving at the reading centre. Through this experience they all gained knowledge and friendship. Not saying that they already didn't have it!

future teachers

This year, the club attended various lectures and conferences including an Instruction-Administration Board Committee meeting of the Greater Victoria School board. They were also able to participate in a special school program selected by each of the members, organized by the club sponsor, Mr. Kreiser.

badminton

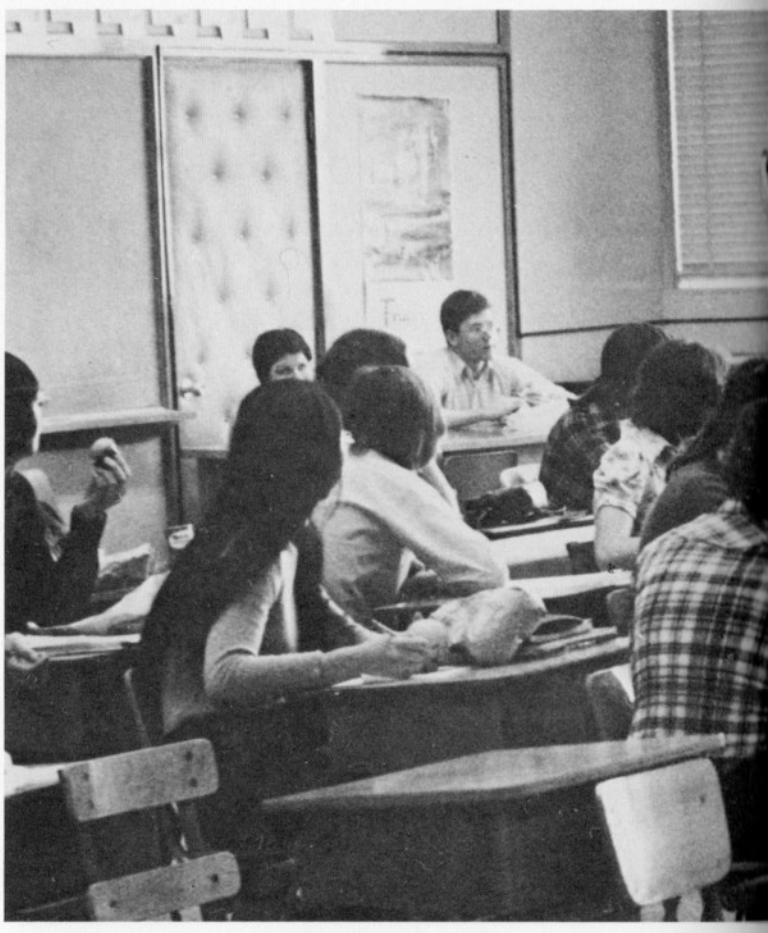
After a slow start, the badminton club picked up in the new year, starting League games as well as free recreational game play. There was a large turnout of great players this year, practicing regularly every week to keep up and improve their game. Thanks Mr. Heinrich for contributing the time to keep this club together.

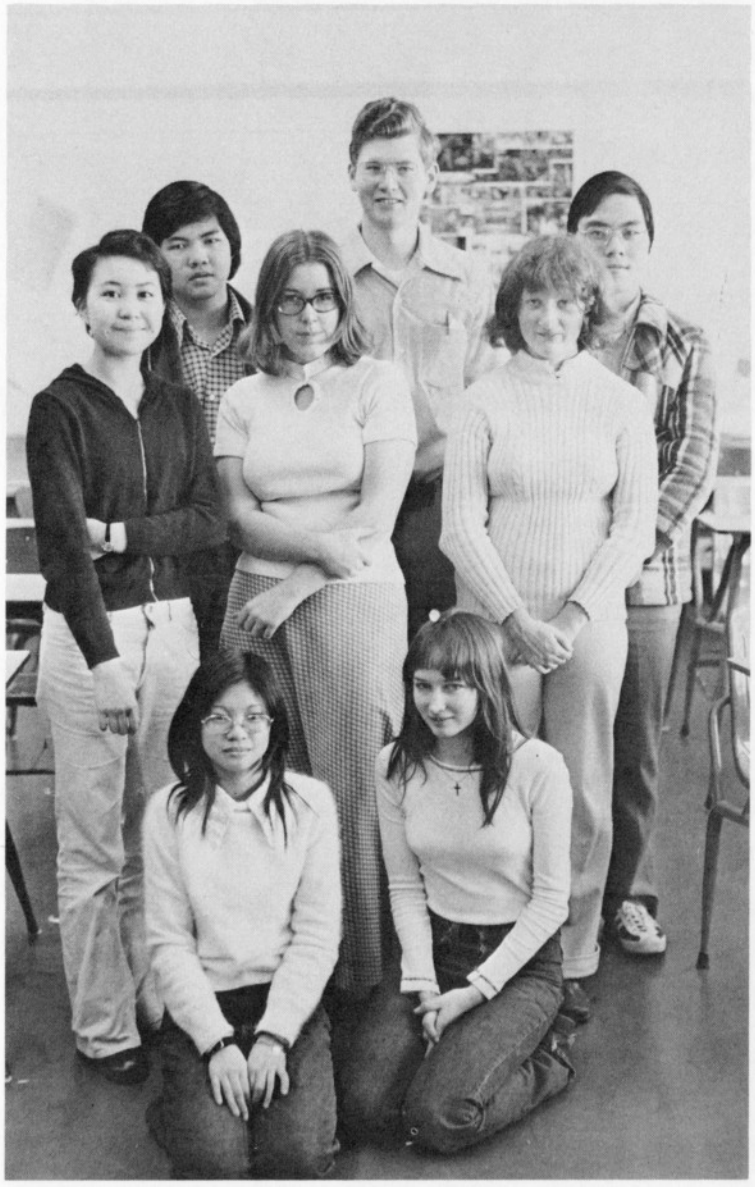
table tennis

All members of this club had an active and enjoyable year, playing every lunch hour under the guidance of Miss Westman.

parliament

Parliament this year was parliament as usual with Derek Chu as our P.M. and Ken Eng as S.O.H. The cabinet started the year with a great boom of dances and soc hops. As time progressed the parliament slowly began to ease off and do their regular good job of raising hands to pass any motion that came along. All in all parliament has provided the school with another fun filled spectacular year.



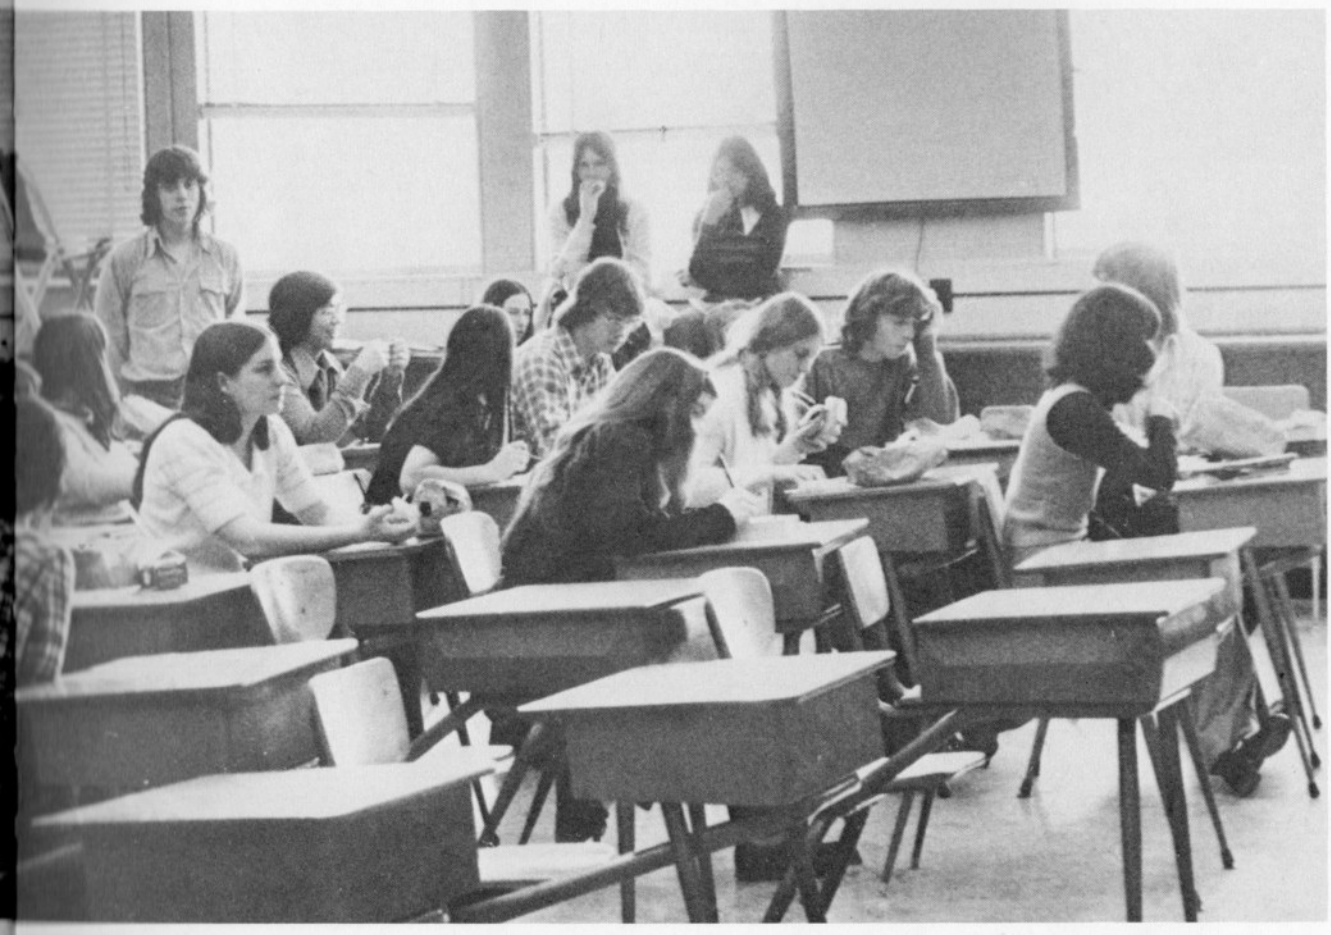


i.s.c.f.

This year's i.s.c.f. was a small group. There were occasional meetings held, as well as a sailing expedition to the Gulf Islands.

camosunette

Since November, a monthly issue of the camosunette has been floating around our halls. The main aim, to be read, was accomplished. The staff would like to thank Mr. McCarron, Mr. Pluym, Mrs. Burgis and the kids who bought the issues.



"Cabinet"

abc

This small crew endeavored to paint various advertisements which were hung in our hallways. The weight room was their workshop, where their "creations" began.

decorations

The decorations club worked very hard this year trying to fancy-up the old gym. Several times the cabinet room, where most of the balloon-blowing and glitter-gluing went on, looked like the back room of a novelty shop. In any case, the results weren't usually too bad, and the members, many of whose artistic talents can be questioned, generally enjoyed themselves.

gamma and beta

In the beginning these two groups were supposed to be service clubs. It seemed that every one of the students at Vic High were members of either club. Then in spite of the large turnout, they never really got off the ground.

Gamma assisted in hostessing during receptions, refreshments and coat checking during dances, etc., but there seemed to be a lack of Beta at these events. Together the groups showed up and helped in pep rallies and got some Vic High spirit going at the games.

cheerleaders

The cheerleaders for this year were: Carol Lesyk, Vana Keating, Joan Robertson, Carol Moore, Laura Kimmerly, Paula Wesley, Frances Schauerte, Mary Anne Skill, Myrna Boorman, Kathleen Alexander, Linda Pope, and missing from the pic. Janice Wilson. Janice and Kathleen left this group part way thru the year.

band

The Vic High band had a great turnout as usual this year. The group went on fund-raising drives so they could play at the World's Fair in Spokane and at Calgary as well, and it seemed to be worth all the work they put in. Thanks for another successful year goes to Mr. Murray, the band teacher.

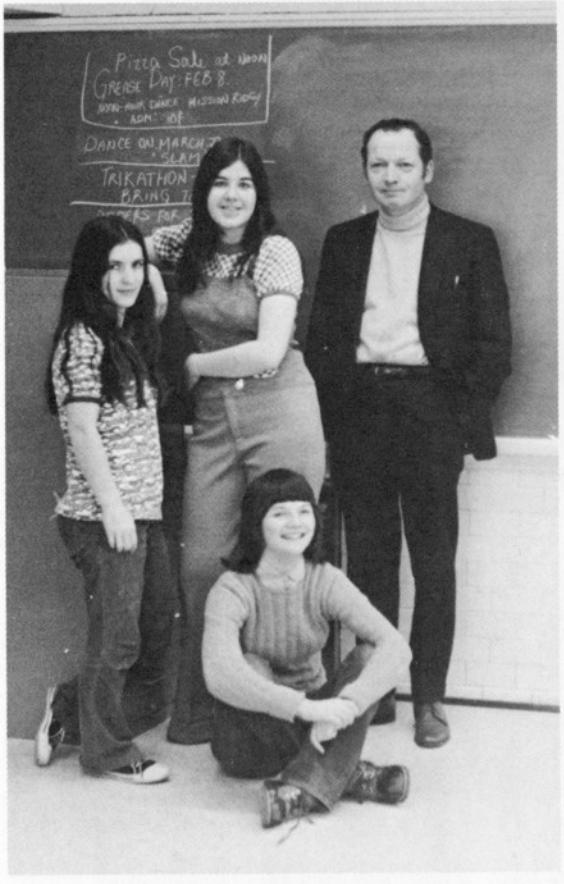
bowling

An enthusiastic group of talented students as well as a few teachers got a new club together this year. They bowled every other week on Thursday after school. If any other students wanted to laugh on Thursdays they knew where to go. This club will probably be in our school for many years to come.

curling

chess

This club looked very promising throughout the year. They are capable, we know of retaining the City Championship, which has not taken place yet. These students worked very hard and used a large portion of their brains to their best advantage.

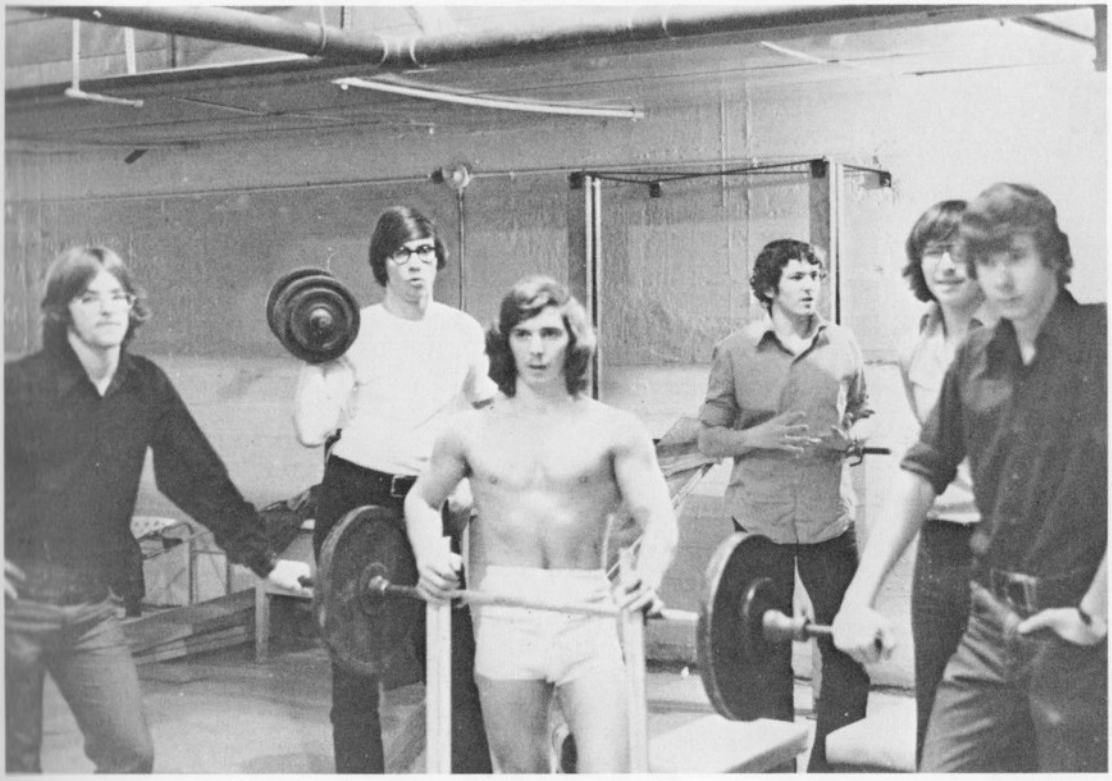


writers

Even though the group was small again this year, that didn't hold them back. They contributed to the camosunette as well as having a feeling of real accomplishment when the year neared an end.

bridge

This year the Bridge Club had a good start, but interest waned and soon they were left with only four members. Nevertheless, many interesting games took place under the direction of Mr. Roberts. Mr. Roberts noted improvement in all the players.



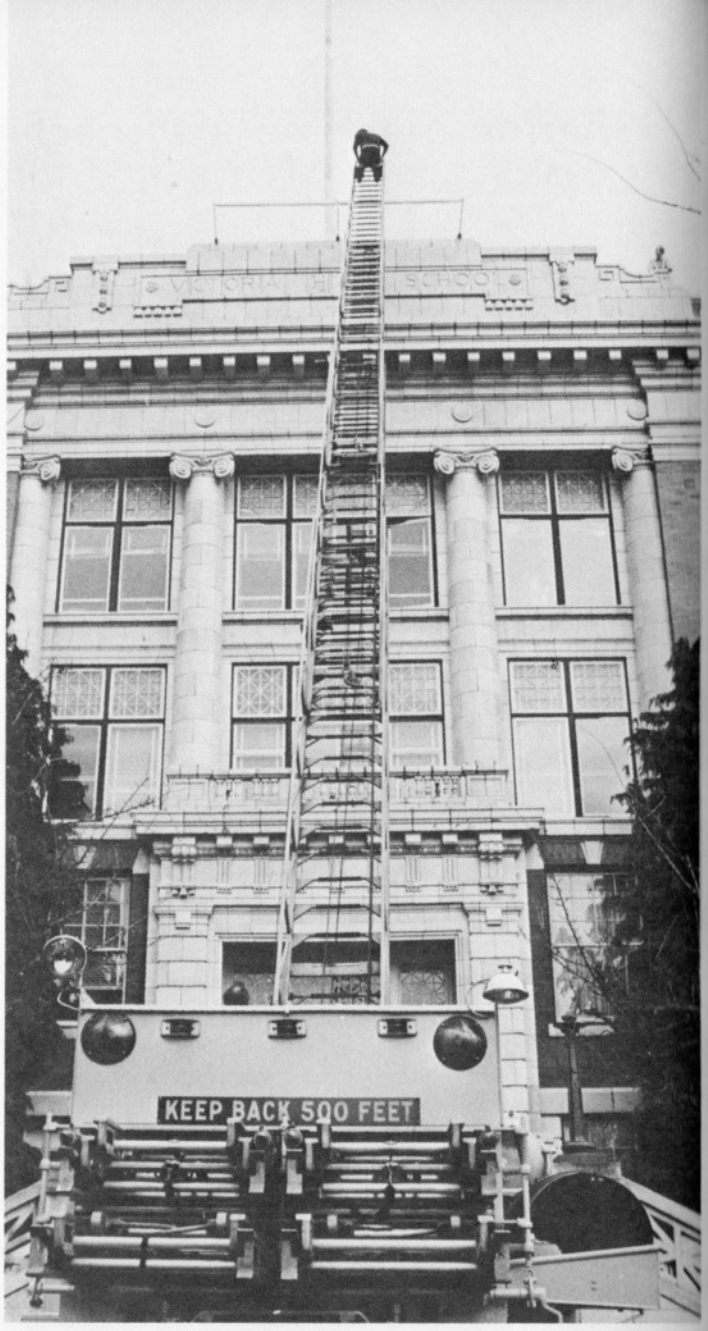
body building

Three times a week after school a handful of enthusiastic (and hopeful) young men met with Mr. Runer to work out and build their bodies. Lots of luck to these guys.

rally

Some of the mechanically minded students from our school formed a new club this year, which was the rally club. On occasions they would meet and set up car rallies for anyone interested. These drew a fair turnout and should be even better next year.

"Ah so . . .!"



Flag-Raising Ceremonies.

Christmas was the time everyone looked forward to. Spirits were high and a fun time was had by all. The school worked hard and put together hampers for a very worthwhile cause.

Entertainment was provided by Tony Eng the Magician who startled us all, with his fasinating and puzzling tricks, and of course our flag raising ceremony which never did get up right then . . .

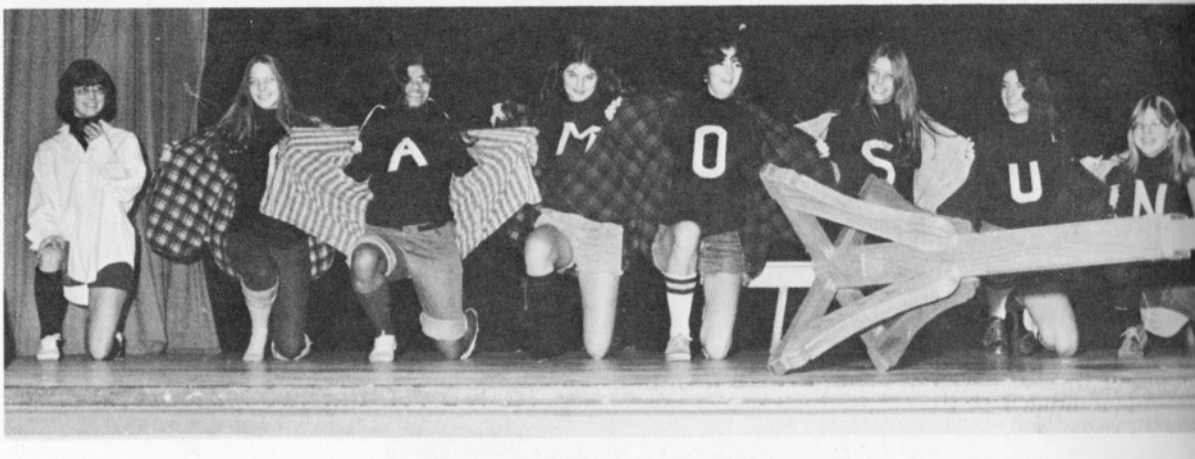
Christmas Capers — that annual happening when you are either so full of Christmas spirit or so fed-up with exams and last minute shopping that it really doesn't matter if you do make a fool of yourself . . .

"Beautiful!"



The Cheerleaders.

Considering that the Pep Rallies were prepared on the spur of the moment, they went over quite well. They fulfilled the need of boosting up School Spirit.

There were Pep Rallies for the soccer games and the promotion of Camosun sales. This involved the Miss Camosun pageant. Hopefully, they were enjoyed by all.

Victoria Symphony Entertainment.

January was a month of refinement and "scholarly pursuits" at Vic High; firstly with Lazlo Gati and The Victoria Symphony Orchestra honouring us with a performance in the New Gym, and secondly with the taping of Reach For The Top, which took place in Nanaimo.

Mr. Lazlo Gati.

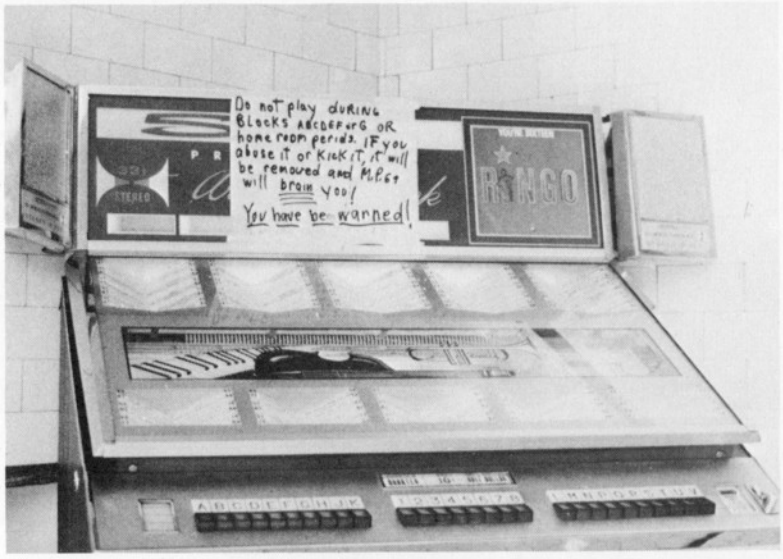
The trikathon that was (or wasn't?).

"Hey Brenda, you've got legs too!"

"Lights, cameras, action ...."

February will go down in history as the month of "The Trikathon That Almost Was," and March will be noted as the month of the "May Queen Contest," which proved to be one of the (very) few issues that raised any controversy within Student Parliament.

Early spring brought "Grease Day" and what seemed to be extras from the set of American Graffiti slithering along our hallowed halls, rumbling the cafeteria, and, of course, sprucing in the boy's room . . .



Graffiti music

'56 beauties!

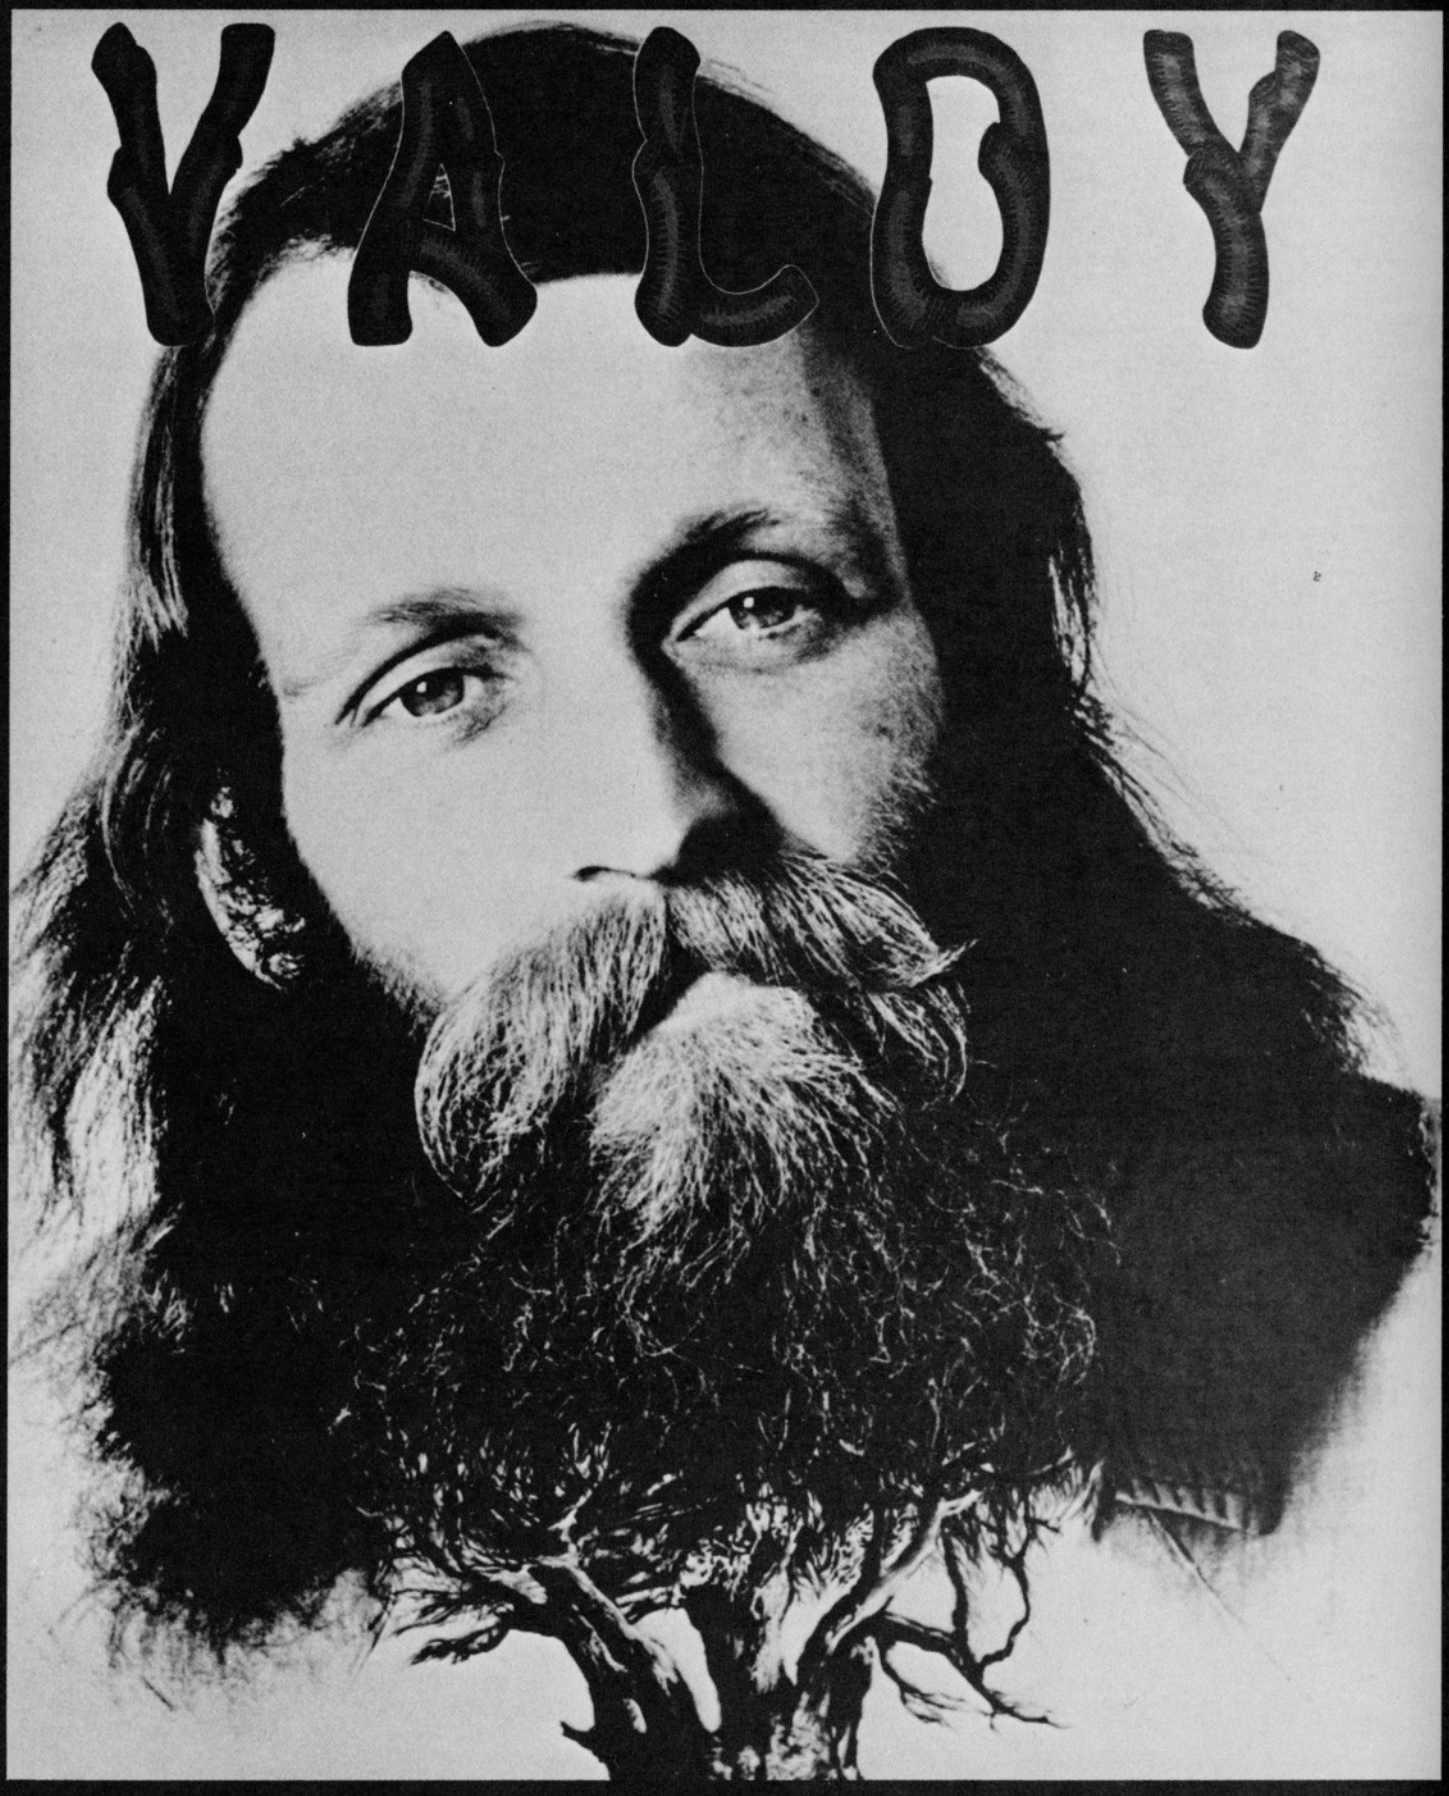
Spring also saw the Rugby Team frantically trying to raise enough money for their trip to Britain. Two of their most ambitious enterprises included a Kikathon and a Bingo Night.

"Hey, I won!"



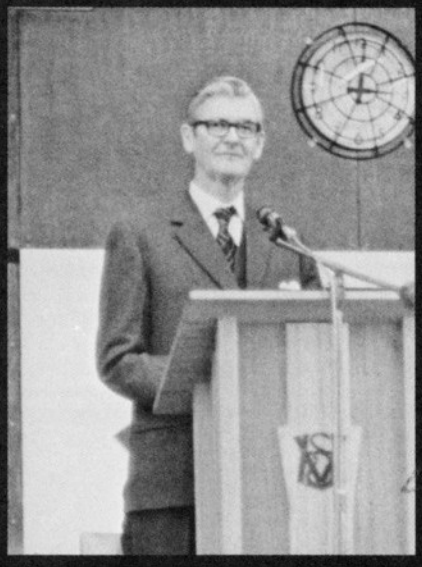
A concert featuring Valdy was held on April 20th. Back up acts were Bruce Miller and Diamond Joe. A warm greeting was extended to these musicians and in turn their performance was enjoyed by all.

Signing the guest book.

On Monday, April 8, Governor-General and Madame Leger visited Victoria High School.

Representing the Queen, his Excellency, with warmth and humor, granted a school holiday first to students of Victoria Senior High and finally to all students in British Columbia.

Platform guests included representatives from School Board Trustees and School Board Administrative offices. Also present in the welcoming assembly were teachers and students from the other senior high schools in our School District.



Vic High's musical contribution.

A momentum from Vic High.

And don't forget! Woodward's Teen Fashion Council. You can see them at any time, working all over the store. Watch for the Woodward's Teen Council advertisement in your paper, and come and see one of their fashion shows. Claire, Pat and Karen are only three of the members on your Council — they all do wonderful volunteer work at Eric Martin Institute as well. Another way that Woodward's does its best for you!
